Our Philosophy & Objective – WDASA is a non-profit organization open to riders at all levels, in all disciplines, with all breeds of horses. The prime objective of the association is the correct development of the horse so that the horse becomes an athlete who is a pleasure to ride, and who works in harmony with the rider. The result of this training is a horse that is calm, supple, loose, balanced and flexible. The horse is also confident and willing to perform the correct basics with little effort. The safety and well-being of all our riders and horses at all times is paramount and our first priority.

WDASA promotes the sport of Western Dressage through schooling shows, clinics, and fun days. Members can view our website for upcoming events and will receive emails regarding such events at www.wdasa.ca Members will be eligible for year end awards.
